Conditions For Showing Art:

Works eligible: All art must be original in concept and execution. All fine arts media are accepted including painting, drawing, sculpture, ceramics, prints, photography, collage, graphics, pastels and mixed media. Videos or performance art may be accepted under certain conditions (such as curated/invited shows), as determined by the Board. Since artwork must be submitted in its original medium, Giclée reproductions of original works are not acceptable. All art work, including cast pieces, must make it clear if the work is part of an edition or series. The Guild reserves the right to revise the acceptable type of media at any time.

Presentation: A professional presentation of artwork is expected. Entries must be signed, identified, dry and exhibit ready. Works should be suitably framed and in good repair. For unframed canvases, the sides of the canvas and staples must be covered. Works must be securely and properly wired and ready for hanging or the art will be rejected. Razor tooth hangers, push-in clips/loops, Swiss Corner Clips or similar "glass without frame" systems are not acceptable for hanging. Metal picture frames should be fitted with stable clips that have the picture-hanging wire properly attached. Foam bumpers on the back of pieces help protect the walls, limit slipping and are appreciated.

Sculpture: Sculptures should be fully assembled with a secure, stable base provided by the artist. Sculptures must be easily transportable with no components over 50 lbs. All sculpture must be structurally sound and sturdy enough for a normal gallery environment. All artwork of any type must not present a physical danger to the public.

Sizes: Some shows may have specific size limitations or formats. 2018 OJE requirement is that 2-D works must be no larger than 48" measured horizontally.

Sales/Commissions: All art should be for sale and preference may be given to pieces for sale. Sale price must include the frame. A sales commission of 30% will be collected on the sale of Member's works and 40% for Non-member's works.

Liability: While reasonable care is given to artwork submitted to the Canton Artists' Guild, Inc. for showing or sale at the Gallery on the Green, the Guild will not be responsible for any damage whatsoever, before, during or after the exhibition. All artists are responsible for insuring their own artwork. Unless prior arrangements are made, any work unclaimed after the pick-up date for a show, will become property of the Canton Artists' Guild, Inc.

Miscellaneous: All paperwork must be complete and legible and fees, if any, must be paid at the time of drop-off. There may be a limit on the number of entries an artist may make in a specific show. Artwork accepted into a show shall not be removed from the show until after 5:00 p.m. of the final day of the show, which is normally a Saturday. *Work should not have been shown previously at the Gallery on the Green.* The Canton Artists' Guild, Inc. reserves the right to reject any and all works submitted to any exhibition, irrespective of juror decision. By signing the ID Tags/Inventory Sheet For Incoming Work for a show, the artist confirms acceptance of these conditions. (Revised July 2013)
